

Your gift

will look extra special with a home-cut leaf on it. Write a beautiful message on the leaf to make it even more personal and original. Then tape the leaf to the parcel or tie a piece of string around it and slide the leaf or leaves underneath. Combining an oversized leaf and a small parcel will add an element of fun to your gift.

Styling idea

Wrap your gift in plain-coloured wrapping paper or paper with a subtle graphic pattern. The contrast will emphasise the organic shape of the leaf.
